
Note: Original length of south line of Clingman Parcel was 5.5 poles or 90.75 feet in Deed from John Copeland to Cecile & Earl Hull, Vol. 113 p. 334, Jan. 2-1934. Later deeds give $5\frac{1}{5}$ poles - a typographical error.

Parcel of land in the Village of Summerford, Madison County, Ohio, surveyed for Harold and Virginia Clingman—1959

Scale 1" = 200'

Registered Engineer No. 5851
