

Bearings adapted from previous records, field computations and the "Madison County" Clark County boundary line record. Volume on file in the Madison County Engineer's Office.

Distances and Bearings shown hereon represent the direct line from fence corner to fence corner, and do not necessarily correspond to previous record. This survey conforms to the existing field evidence.

**Plat showing boundary survey - part of "Roberts Farm,"
V.M.S. 6348-13698-6014, Somerford Township,
Madison County & Pleasant Township, Clark County, Ohio,
surveyed for Dale Bury - Dec., 1967**

Scale: 1" = 500'
